Integrate Chat

Pizza++

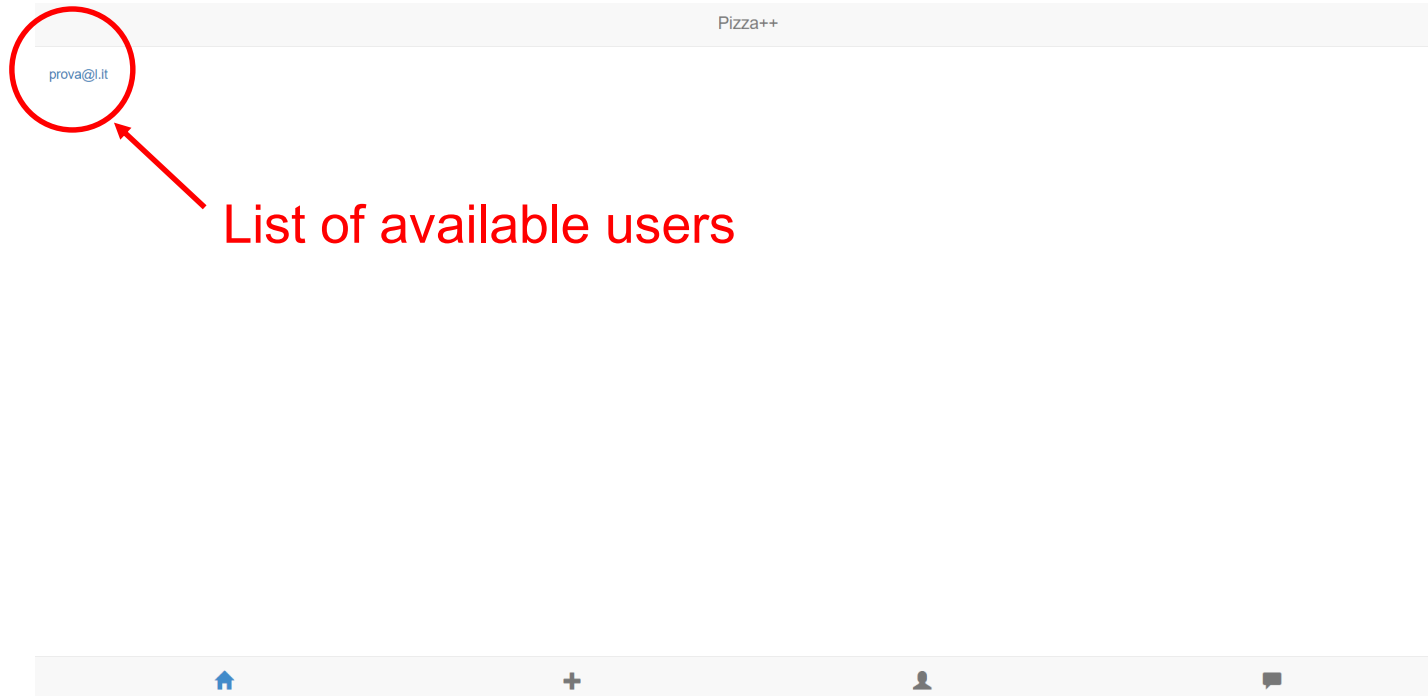

The screenshot displays a web application interface for 'Pizza++'. On the left, a Google Map of Torino, Italy, is shown with two red location pins. The map includes labels for various districts like Collegno, Grugliasco, and Certezza, as well as landmarks like the Basilica di Superga. On the right, a vertical list of pizza items is displayed, each with a small image of the pizza, a title, and a category:

- Diavola** (Amici Nostri)
- Margherita** (Amici Nostri)
- Margherita (integrale)** (Amici Nostri)
- Margherita** (Occupy)
- Salame piccante** (Occupy)

At the bottom of the application, a navigation bar contains five icons: a home icon, a plus sign, a user profile icon, a chat icon, and a search icon. The chat icon, which is a speech bubble, is circled in red with a red arrow pointing to it from the right side of the screen.
